SAN JOSE STATE FOOTBALL POSTGAME NOTES

Following a 27-20 Road Win on Oct. 18, 2014

San José State Post-Game Quotes From Head Coach Ron Caragher

On the offensive execution:

"I thought our guys played good football but weren't able to cash in and get the points on the board from an offensive standpoint. It seems like we were able to move up the field but just weren't able to put it in the end zone to come away with points. The turnovers, I think, hurt us the most."

On finishing the game with a defensive stand:

"The Cowboys surged in the last bit of the game and that is when we had to dig down deep to fight for the win. I'm so proud of our guys - the resiliency and determination of them to finish and finish strong. I was very pleased."

On overtime:

"When we got into overtime, I was just so proud of our guys. They played hard and the offense moved it down well and threw the touchdown pass. The defense really came through and played how they did in that first half. Our defensive guys have a great attitude and attitude is everything. Those guys are continuing to grow and play awesome football."

On what the win means:

"It's a huge boost for us to get a win on the road because of that confidence. When you never quit or give up and always compete, good things happen."
