

# POSTGAME QUOTES

**Sept. 20, 2014**

**TCF Bank Stadium**

**San Jose State at Minnesota**

## **San Jose State Press Conference**

**RON CARAGHER, Head Coach**

“The defense played great football. They hustled to the football, created some turnovers and held the opponent to one completion.”

“The offense had a frustrating night – for all involved. I thought the offense had many opportunities and turned the ball over at very opportune times.”

“Collectively it was a tough day, not as we had foreseen because I thought we had a good week of practice. I think we saw that on the defensive side, but not on the offensive side or special teams.”

**TRAVIS RACITI, DT**

“There were times where we stepped up to the occasion... but there were times where the communication was a little off.”

“Complimenting Minnesota, I thought they had a lot of different formations and adjustments.”

“We played hard... it just comes down to execution.”

**BLAKE JURICH, QB**

“There were mental mistakes. I made a couple of bad decisions. You’ve got to just move on.”

“Defense did a great job. We just couldn’t capitalize on it, with a few mistakes, we’re just going to learn from it.”
