**HEAD COACH RON CARAGHER**

*(on Jarrod Lawson)*

*“Jarrod Lawson had a huge night for us, he’s just a spark plug. He runs and catches the ball well. Jarrod took the baton and he ran with it. He’s the complete package and he’s done a great job not just running, but also receiving the ball.”*

*(on coming out after halftime)*

*“I’m not focused on the scoreboard. I’m focused on playing team football and I think, for the most part, we got that in the second half.”*

*(on overall team performance)*

*“We are still a work in progress football team, we have work to do. We haven’t arrived yet, but it’s nice to see guys make plays at opportune times. On the road, down, having to fight back four times and get the lead against a good team. I think we answered the call. I’m just proud of our young men.”*
