Head Coach Rocky Long

On Team Record Rushing Yard Total:

“We have good running backs in the program. Rashaad (Penny) is as good as anybody else in the country, and the offensive line did a great job of opening up holes. Once those guys get in an open hole, they either make guys miss, or they get extra yards by bouncing off of them. If they get out in the open, most of them can outrun people too. We talk about our running backs a lot, and that’s okay. But it’s really whether the offensive line does its job or not.”

“I was disappointed in the first series of the second half where they took the ball down and scored. They did a nice job of executing a trick play that worked against us for the touchdown, so you have to give them credit for that one.

“I thought we came out a little lackadaisical from the halftime because we gave up a long kickoff return. Now they called it back for holding, but they gashed us on the kickoff return out to about the 50-yard line. We didn’t come out really ready to go in the second half, but they got it back together and got it going.”
